

## DAFTAR SINGKATAN DAN SIMBOL

### DAFTAR SINGKATAN

|       |   |                                                           |
|-------|---|-----------------------------------------------------------|
| ECG   | = | Elektrokardiogram                                         |
| EMI   | = | Interferensi Elektromagnetik                              |
| UNANR | = | <i>Unbiased and normalized adaptive noise reduction</i>   |
| SNR   | = | <i>Signal-to-Noise Ratio</i>                              |
| PLI   | = | <i>Power Line Interference</i> (Gangguan saluran listrik) |
| LMS   | = | <i>Least mean square</i>                                  |
| NLMS  | = | <i>Normalized least mean square</i>                       |
| FFT   | = | <i>Fast Fourier Transform</i>                             |
| NANF  | = | <i>Normalized adaptive neural filter</i>                  |
| PSD   | = | <i>Power Spectral Density</i>                             |

### DAFTAR SIMBOL

|        |   |                        |
|--------|---|------------------------|
| %      | = | Persentase             |
| <      | = | Kurang Dari            |
| >      | = | Lebih Dari             |
| $\geq$ | = | Lebih Dari Sama Dengan |
| +      | = | Ditambah               |
