

## DAFTAR SINGKATAN DAN SIMBOL

### DAFTAR SINGKATAN :

|                  |                                                  |
|------------------|--------------------------------------------------|
| ANOVA            | = <i>Analysis of Variance</i>                    |
| FMIPA            | = Fakultas Matematika dan Ilmu Pengetahuan Alam  |
| IPM              | = Pendekatan Pengendalian Terpadu                |
| LC-MS/MS         | = Liquid Chromatography–Tandem Mass Spectrometry |
| LD <sub>50</sub> | = <i>Lethal Dose 50</i> (Dosis mematikan 50%)    |
| PHT              | = Pengendalian Hama Terpadu                      |
| RI               | = Republik Indonesia                             |
| R&D              | = Research and Development                       |
| SWK              | = Sentra Wisata Kuliner                          |
| UV-Vis           | = Ultraviolet –Visible Spectrophotometry         |
| WHO              | = World Health Organization                      |

### DAFTAR SIMBOL :

|           |                                       |
|-----------|---------------------------------------|
| %         | = Persentase                          |
| =         | = Sama dengan                         |
| ≤         | = Lebih kecil atau sama dengan        |
| ≥         | = Lebih besar atau sama dengan        |
| °C        | = Derajat Celcius (Suhu)              |
| cm        | = Sentimeter                          |
| g         | = Gram                                |
| g/mol     | = Gram/mol (massa molar)              |
| GAE/g     | = <i>Gallic Acid Equivalent</i> /gram |
| SE/g      | = <i>Standard Error</i> /gram         |
| $\bar{x}$ | = Rata-rata                           |
