

## DAFTAR SINGKATAN

|     |                                  |
|-----|----------------------------------|
| PID | Proportional Integral Derivative |
| FLC | Fuzzy Logic Controller           |
| LCD | Liquid Crystal Display           |
| PWM | Pulse Width Modulation           |
| TFT | Thin Film Transistor             |
| HMI | Human Machine Interface          |
